

Ontario Team Cattle Penning Association

The Ontario Team Cattle Penning Association is seeking sponsors for 2010. Thanks to our many generous supporters in 2009, we were able to have a very successful season and would like to repeat that in 2010. Our web site is: www.teampenning.ca

Great or small, every sponsorship, or product donation is greatly appreciated. We gladly welcome, company representative(s) to make presentation(s) of products or gift certificates. This is also an excellent opportunity to meet and promote your products and services.
